

The Wings of Eagles

They that wait upon the Lord shall renew their strength. They will rise up on wings of eagles. They shall run and not be weary. They shall walk and not faint." Isaiah 40: 31

Front Parking Lot (church & school project)

(Repeat)

The front parking lot is deteriorating and needs some rework and sealing. Multiple bids have been received. Ideally we should be doing a full-blown rework at approximately \$4500. The bids have been reviewed and negotiated including alternate approaches. For about \$2600 we can control deterioration for a few more years. The council has discussed the possibilities and has concluded the best approach right now is to go with the latter approach. A member (or members) has offered to match the first \$1000 therefore leaving approximately \$1600 for the congregation to raise. Please consider how you may help in this matter. There are plans underway to raise money with fundraisers of various kinds. Watch for more details about this effort.

World's Finest Chocolates (Repeat)

The sale dates are from February 24-March 17. More details will be sent home next week.

Scrip Is Really Paying Off!!! (Repeat)

We place scrip orders every Monday morning. It's never too late to sign up. Please see the office if you have any questions.

CEF Website

Have you seen the CEF website for kids? (wonderzone.com). Or the daily devotionals CEF offers the children geared for their age group? And the Mailbox Club is one of the most useful tools for the kids for learning to grow in Christ.

Enrollment (Repeat)

Early registration at RLS will begin soon.

World Relief Organization (Updated)

Our chapel offerings to the World Relief Organization to help the victims in Haiti will be continuing through the next 2 weeks. The total collected so far is \$234.38. Thank you for your very generous support!

MATHCOUNTS

(Repeat)

Several RLS students from 6, 7, and 8th grades are going to represent our school in San Diego chapter math competition sponsored by Mathcounts on February 27, 2010 at UCSD. They have been having regular coaching sessions to get ready for this very prestigious and challenging event. There will be 28 middle schools competing from all over San Diego County. The top team and top two individual competitors will get to advance to the state competition held in March at UC Irvine. We wish our students the best of luck. Break a leg, boys!
