

# The Wings of Eagles

*They that wait upon the Lord shall renew their strength. They will rise up on wings of eagles. They shall run and not be weary. They shall walk and not faint." Isaiah 40: 31*

## Front Parking Lot (church & school project)

The front parking lot is deteriorating and needs some rework and sealing. Multiple bids have been received. Ideally we should be doing a full-blown rework at approximately \$4500. The bids have been reviewed and negotiated including alternate approaches. For about \$2600 we can control deterioration for a few more years. The council has discussed the possibilities and has concluded the best approach right now is to go with the latter approach. A member (or members) has offered to match the first \$1000 therefore leaving approximately \$1600 for the congregation to raise. Please consider how you may help in this matter. There are plans underway to raise money with fundraisers of various kinds. Watch for more details about this effort.
