### **Ramona Lutheran School wins regional math competition**

By Karen Ryan

The sixth and seventh-graders of Ramona Lutheran School have won the San Diego County Lutheran Schools Regional Math Competition. The sixth-graders ranked first place out of thirty-five teams. The seventh-graders ranked third place out of twenty-eight teams. Each year, Ramona Lutheran students in grades six through eight, participate in the "Eagle Math Competition" held at Christ Lutheran School in La Mesa. "The math equations were quite challenging. We're very proud of our students' achievement in this event," said Nancy Knight, principal. Ramona Lutheran School serves the Ramona Valley with quality private Christian education for students in grades preschool through eighth grade.
